

The Church of Tutankhamon: The Book of the Golden Christ (Paperback)

Filesize: 6.91 MB

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dominic Collins)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. The Church of Tutankhamon: The Book of the Golden Christ (Pre-Theism): Pharaoh Tutankhamon is the KRST (Christ), the Egyptian word for "burial," which is associated with Anointing Oils in mummification. There is some evidence of human sacrifice or crucifixion (his broken leg and Malaria/Fever if exposed to the elements prior to his death) among the Hebrews living in Egypt (Jacob & Isaac); in Christianity, Jesus was a human sacrifice who was ritually killed and prepared for burial as the KRST/Christ. The 12 Apostles/Disciples of Christ, the 12 Royal Men of the House of Pharaoh (who attended Tutankhamon's funeral), and the 12 Signs of the Zodiac may be connected. The KRST was like a plant: it lived, it died and was buried underground only to rise up and bloom again, so this cycle was personified by a ritualized sacrifice and offering to the God(s). People with "red hair were sacrificial offerings in Ancient Egypt" because Set, the God of Chaos and Storms, had red hair; those under his influence could influence storms and earthquakes. Queen Tiye had red-brown hair; she was an ancestor of Tutankhamon. Jesus may have had reddish hair, though Tutankhamon's hair was shaven; Jesus influenced storms and Earthquakes. It is recorded that someone named "Tut-ankh-u-aton" was the "son of Akhenaton," as since Royal Scribes never made errors on Official Records, and there is no evidence that his name was changed to "Tut-ankh-aton" (this name was changed to Tut-ankh-Amon when restoring the ancient religion), who is this person? Was this his unknown Twin Brother? Who also is Ankh-et-kheperura? Is she a Female Pharaoh or a misspelled name on Official Records that are never supposed to fail? And if so, is Ankh-et-kheperura actually Queen Ankhesenpaaton...
